Sermon - Biblical Discipleship

Matthew 28:16- 20

### WHAT IS DISCIPLESHIP?

Discipleship is the process of devoting oneself to a teacher to learn from and become more like them. For the Christian, this refers to the process of learning the teachings of Jesus and following after his example in obedience through the power of the Holy Spirit. Discipleship not only involves the process of becoming a disciple but of making other disciples through teaching and evangelism.
