

## Godliness with Contentment

November 12, 2023 | 1 Timothy 6:2b-10

**Exegesis** is the process of explaining the original meaning of a text.

**Eisegesis** is the process of inserting our own meaning onto a text.

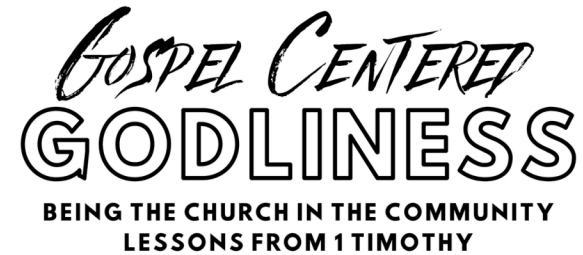

**Narcigesis** is the process of inserting ourselves into the text.

Pastors are to teach what the Bible \_\_\_\_\_,  
not what we want it to \_\_\_\_\_.

The \_\_\_\_\_ of the Bible will protect us from  
\_\_\_\_\_ teachers.

Live like God is \_\_\_\_\_.

Pastors who go after \_\_\_\_\_ will lead their  
churches and followers into \_\_\_\_\_ and  
\_\_\_\_\_.
