**INTRODUCING MACKENZIE LYNCH  
IMB MISSIONARY TO NAIROBI, KENYA.**

Mackenzie grew up in Kentucky. She attended WKU and recently graduated from Southern Seminary with a MA in Theological Studies. She is serving refugees in Nairobi, Kenya in East Africa.

**Prayer Requests:** Pray for the refugees in Nairobi. I was so encouraged to hear that some of the refugees I worked with last term have started their own house church. They have been rotating whose house they meet at each week and even sharing a meal together. It was so encouraging to hear that the Spirit is continuing to work in them!
